A Screening Committee constituted with the officials of SIDCO, Directorate of Industries and Commerce, TIIC and representatives of TANSTIA as members, interviews the applicants and the eligible applicants are selected on merits. Plots are allotted by way of lot system.

SIDCO develops industrial plots of various sizes ranging from 5 cents to 100 cents (1 acre) and above as per the requirements of the manufacturing units in the Industrial Estates and the industrial plots are allotted to them on Outright Sale basis only in the existing Industrial Estates. 79 plots and 1 shed were allotted to new entrepreneurs in the year 2014-15.

SIDCO has been making allotments in its Industrial Estates on Outright Sale Basis. To promote the interests of the MSMEs, a new allotment policy has been ordered vide

G.O.(Ms). No.66, MS&ME (C) Department, dated 18.11.2013, for all the new Industrial Estates to be formed from the year 2013-14. Under this new policy, allotment will be made on 30 years lease basis with an option to the entrepreneurs to buy the sheds / plots on outright purchase basis at the end of 30 years in the new Industrial Estates.

3.4 Common Facility Centres (CFCs) under the MSE – CDP Scheme of Government of India

SIDCO is the Implementing Agency for the Micro and Small Enterprises – Cluster Development Programme (MSE – CDP) which aims at addressing the needs of the industries, through formation of well-defined clusters and geographical areas to enable the Micro and Small Enterprises to have better access to resources, linkages to credit and to enhance their marketing competitiveness.

A cluster is a group of similar and related enterprises in a defined geographic area that share common markets, technologies, skill needs and are producing same/similar products.

Salient features of a cluster are as follows:

- The methods of production, quality control and testing, energy consumption, pollution control etc., are similar in nature.
- Technology and marketing strategies are similar.

- Easy communication among the members of the cluster
- Opportunities and Challenges are common.

The Government of India and also the State Government have adopted the cluster development approach as an important tool for enhancing the competitiveness and productivity of the Micro and Small Enterprises. Clustering of units also enables providers of various services to them, including banks and credit agencies, to provide their services more economically, thus reducing costs and improving the availability of services for these enterprises.

This scheme is being implemented to support the sustainability and growth of Micro and Small Enterprises by addressing common issues, building their capacity for common supportive action through formation of self-help groups, consortia etc. and to set up common facility centres (for testing, training centre, raw material depot, effluent treatment, complementing production processes etc.,)

The funding pattern of MSE-CDP(CFC) scheme is given in Table-24.

Table - 24

Grant from GOI	70% (maximum project cost of Rs.15 crore)
Grant from GoTN	10% (maximum of Rs.1 crore)
SPV Contribution / Bank Loan	20%

In total, 29 projects at a total project cost of Rs.157.36 crore have been sanctioned by the Government of India with a grant for a sum of Rs.106.37 crore. The Government of Tamil Nadu have sanctioned a grant of Rs.12.99 crore. Out of the above 29 projects, 7 projects have already been completed. The remaining projects are under various stages of implementation. The expected total employment generation from these clusters will be around 25000 persons.

Further, the Government of Tamil Nadu have sanctioned an amount Rs.25 lakh towards establishment of First Aid Centre Cum Dispensary at Kappalur in Madurai District and Kurichi in Coimbatore District, during the year 2014–15. The work is under progress.

The Hon'ble Chief Minister of Tamil Nadu has announced during the Golden Jubilee Celebrations of the Kundah Industrial Co-operative Tea Factory that a Tea cluster with a Common Facility Centre will be established at Mettupalayam in Coimbatore District at an estimated project cost of Rs.15 crore to boost the development of Tea

industry in Nilgiris District. The Common Facility Centre will have the facilities for Tea Mixing, Tea Packeting, Warehousing, Testing Laboratory and Marketing Centre. The Hon'ble Chief Minister has laid down the foundation stone on 04.01.2014. Funds of Rs.6.50 crore have been sanctioned under ASIDE Scheme through TIDCO, for warehousing facility. This will in turn enhance the productivity and efficiency. As a first step, SIDCO has introduced downloading of application forms for allotment of plots / sheds through website.

M/s.ELCOT has been entrusted with the works to develop a GIS Database containing all the vital information of all the estate layouts, sheds / plots, allotment details, activities of the individual units, employment generated, products / services of the individual units, markets, raw materials etc., in all the SIDCO managed industrial estates. The Database will be uploaded in the official SIDCO website for providing free access to interested person.
